V. Jamaat-e-Islami Sir-in / Dharna, PDL Reduction or Waiver and JI- Govt meeting on 6 Major matters

Family Governments & Public Guard (Choor or Chokidar)! Whom would your Goodself support for a better economy and PDL issue?

Owing to the matters stated in PGEC 256 and in trail TLQC 3708, there are likely to be reduction in POL prices anytime. Interesting Press Conference in Islamabad with details about Post Jamaat e Islami Technical Team meeting with Govt Committee on Monday 7.9.26 First Meeting. JI gave 6 major suggestions for 5 Ministries plus SBP, which are sent by Govt to relevant officials. Next meeting planned for Thursday 10.9.25. JI Technical Committee is available for support regarding the explanation and guidance for the six major suggestions.

PDL is rigorous Tax & be waived with justifications - High Level Expert of JI Technical Committee part Mr Nadeem Ali Baig Sb, CEO Alkhidmat

POL prices & Income of Public in Pakistan VS US. Top level Chambers Leader, Businessmen & Industrialist Mr Zubair Motiwala Sb also agreed to Jamaat e Islami Slogan to eliminate PDL

Subject: PGEC227: POL Shortage & Expected price increase and KC Recommendations

I. Background: This refers to PGEC224 about MS & Diesel price increase, as KC predicted. Have Your Entity taken benefit?? (b) PGEC 226 about HSD, MS, & HOBC price history

II. Shortage: As per a reliable source, there is shortage of Petrol & Diesel as evident from certain pumps in a far flung areas, which became dry (and may likely the same position in cities shortly). Moreover, most Distribution companies are either not providing POL or providing less than 50% of the pumps' requirement; likely owing to matter in para III or overall shortage in upcoming supply to Pakistan and International prices increase.

III. POL Prices Expected increase: Effective from 12:01am on 18.7.26, we also expect the increase in POL Prices in Pakistan owing to international, unless Government reduces Petroleum Development Levy (**PDL**) to counter the increase.

IV. Kasbati & Co Recommendations: Keeping in view para II & III, to minimise POL expenses, arrange to fill all the vehicles ASAP today and ensure POL therein in till atleast Saturday 18.7.27 evening. We expect likely rush at Petrol Pump from today or tomorrow evening
