2. Hence, Urgent & Important for HR, , Finance & Tax Heads, Internal Auditor / Consultant and Second Tier Team Members. If anyone else receives this email, please forward this email to any or all the 6 or less Officials Categories, in order to get More at Home by you and all. Directors & Other Salaried persons, HR & Account Department think that they have to pay tax on Gross income and no tax exemption, no tax credit and no other deduction. Others think that it can be reduced by 20% to 30%. Consequently, withholding tax too u/s 149. **With due respect, all these are misunderstandings.**

3. Actually, Salary Tax Withholding can be now be reduced upto 60% or even more in some cases, by properly understanding the Advance Payroll Taxation. Hence, Tax Excellence Institute / Kasbati & Co has planned **Advance Payroll Taxation Workshop at Hotel on 10 November 2026**, the details thereof in the Flyer, click here.

experience) is the Speaker for the whole day and hence will respond to all your Workshop Level Questions.

5. We suggest Minimum 3 Members, one each (more would be better) from Finance, Internal Auditor, HR & Tax as Certain Important Decision has to be taken for Huge Tax Saving and increasing Tax Home for the whole Entity.
